

UH Geauga Medical Center begins another half century of medical excellence.

FOUNDED IN 1952 AND BEGINNING OPERATIONS IN 1959, UH Geauga Medical Center is a full-service, nonprofit, acute care hospital providing comprehensive health care services to more than 100,000 residents annually in Geauga, Ashtabula, Cuyahoga, Lake, Portage, and Trumbull Counties in Northeast Ohio. Our facility is part of University Hospitals, which is comprised of a broad network of primary care physicians, specialists, ambulatory care centers, hospitals and related health care delivery services at more than 150 locations in over 50 communities.

UH Geauga Medical Center’s 300 physicians, over 90 percent of whom are board certified, provide expert care in more than 40 clinical specialties. Our nursing and allied health employees are registered, board certified or licensed in their respective specialties by the State of Ohio. The hospital is supported by over 700 dedicated staff members encompassing clinical, business, administrative and service functions.

More than 200 volunteers and Auxiliary members contribute a total of nearly 20,000 hours to UH Geauga Medical Center each year, in more than 30 hospital departments and functions.
