

UHapps.

Access for Independent Physicians

How to Access UHapps and Login Instructions

1. Go to uhapps.uhhospitals.org
2. Enter your UH username and password
 - If you are not on the UH Network then you will be prompted for two-factor authentication
3. The UHapps portal opens and a list of applications and websites available to you appears
4. Click on any icon to open an application or website
5. You can also use the Search field or click on any of the categories to find an application/website

How to Save UHapps to Your Desktop

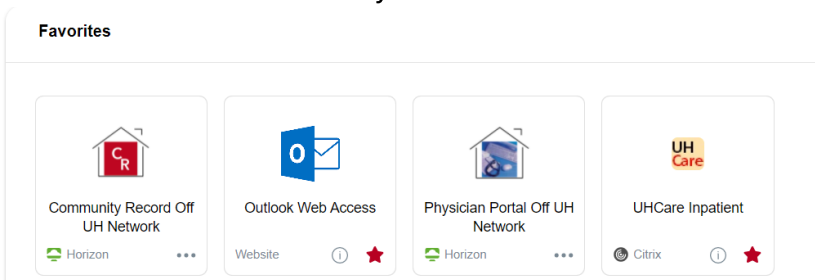

1. Go to uhapps.uhhospitals.org
2. Add website to your bookmarks on browser
3. Drag bookmark icon to your desktop

Customize the Favorites Tab

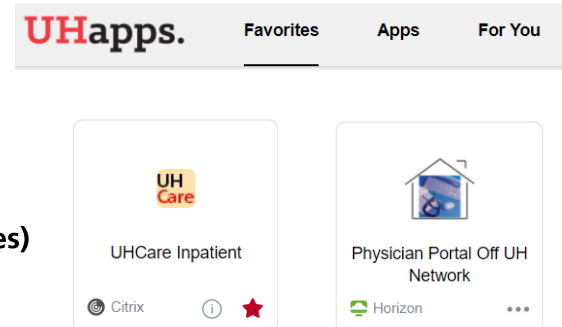

1. From the Apps tab, click the star icon below the application/site to save it to the favorites tab. Deselect the star icon to remove it from favorites.

Note: For applications/sites without a star icon, click the ellipsis and select Add to Favorites (or Remove from Favorites)

2. Click the Favorites tab to view your saved Favorites

3. You can change the order of the Favorites by using the Sort A-Z menu at the top right
4. Select an alphabetical sort or select Custom to create your own order
5. Select reorder (for custom sort only)
6. Click and drag the app icons into the order you like and click Save
