

Program Overview

Here's a new way you can help our organization generate funds to support our programs: **Donate your car, truck or other unwanted vehicle!**

We are partnering with Volunteers of America of Greater Ohio, which has 30 years of experience operating a very successful vehicle donation and sales program.

How It Works

1. Donor has an **unwanted vehicle to be donated.**
2. Volunteers of America makes arrangements to **pick up the vehicle.**
3. **Vehicles are sold** at a weekly auction.
4. **50% of the net proceeds from the sales are given to our nonprofit** to support our programs and services.

Details About Donating Your Vehicle

- Any vehicle will be accepted, even if it is not running.
- In addition to cars and trucks, boats, motorcycles, vans and RVs are accepted.
- Volunteers of America will respond within 24 hours and arrange for vehicle pick-up.
- Vehicle title must be signed over to Volunteers of America and notarized before it can be picked up. If the donor can't get to a notary, the tow truck driver can verify and witness you signing the title.
- You can claim a tax deduction of up to \$500 or what the vehicle sells for.
- The donor will receive a receipt and appropriate tax forms.

Charity Connections is an easy, proven way to increase revenues for our organization.

Please spread the word to your network of friends and family members and encourage them to consider donating their vehicle.

To donate your vehicle:
Simply call the Parma Hospital Health Care Foundation

440-743-4280

50% of the proceeds benefit the Foundation
