

## UNIVERSITY HOSPITALS COMMUNITY CONSORTIUM

UH Parma Medical Center UH St. John Medical Center UH Richmond Medical Center UH Bedford Medical Center UH Geauga Medical Center

# Visiting Student Guide

## Requirements

Visiting students must be a current 3<sup>rd</sup> or 4<sup>th</sup> year medical student from an accredited school. Approved applications will require the following documents to be submitted before a rotation is secured:

1. Affiliation Agreement with your medical school;
2. Letter of Good Standing from your school;
3. Proof of malpractice insurance;
4. Verification of current immunizations;
5. Background check;
6. Current CV;
7. COMLEX 1/COMLEX 2/USMLE Score reports (full transcript)
8. Unofficial medical school transcripts
9. Current photo in .jpg format

Rotations are considered tentative until all document requests from the Undergraduate Medical Education department have been fulfilled.

## Preceptor Information

Students will reach out to the designated rotation contact **at least one week prior** to the first day of the rotation.

## Scope of Responsibility

The ultimate responsibility for patient care lies with the attending physician. As a medical student, you are to work under the direct supervision of a resident, fellow, or attending physician.

## Housing

Student housing is the responsibility of the medical student. University Hospitals Community Consortium does not provide student housing.

## Daily Expectations

- Be on time and present
- Follow and provide care in conjunction with the Resident team and Attending
- Actively participate in morning reports, lectures and other didactics.

## By the end of the rotation students will be able to

- Demonstrate compassionate, effective history taking and exam skills in adults
- Participate actively and effectively in a health care team
- Enrich prior knowledge through reading and searching the literature

- Demonstrate proficiency in oral and written presentation skills, diagnostic reasoning and required procedures
- Develop an effective approach to differential diagnosis and solving patient-based problems
- Demonstrate professional growth through response to feedback
- Integrate goals of care and patient/family preferences into a management plan

Thank you for applying for a rotation with University Hospitals Community Consortium. We are here to make your elective rotation a valued educational experience, as well as an opportunity to learn about our residency programs. Please feel free to contact the Medical Student Coordinator ([Sarah.Majkrzak@uhhospitals.org](mailto:Sarah.Majkrzak@uhhospitals.org)) with any questions.
