

KIDS Rainbow

Session 2: March 28th 4:30–6:30PM

SESSION 2 KEY POINTS

- ✓ We had an introduction to iCAN, which is the International Children's Advisory Network. This allows Youth Advisory Groups to work together to provide a voice for children and families in healthcare.
- ✓ We discussed the bylaws, which includes information about members, voting procedures, attendance, etc. Please read through the bylaws and contact Parris or Abi if you have any questions.
- ✓ Advisors presented their Introductory Slide.
- ✓ Advisors created Vision Boards to share insight/perspectives on their health and community needs.

PRE-SESSION TO DO LIST

- ✓ Complete Introductory Slide
- ✓ Read through the Bylaws

POST-SESSION TO DO LIST

- ✓ Completion of Vision Board Prompts
- ✓ Complete Questionnaire by April 12th, 2024

ADDITIONAL ADVISING OPPORTUNITY!

The Center for Child Health and Policy team is planning to conduct a survey with teenage patients about their clinical experiences. Recognizing the valuable input you have, we'd appreciate your assistance with survey development for this project. If interested and for more information, please contact CCHP Project Coordinator, Tashyana Copeland-Smith at Tashyana.Smith2@UHhospitals.org by April 5.

GOALS

- ✓ Orient students to other members in the Youth Advisory Council
- ✓ Acclimate students to iCAN
- ✓ Discover common interests through Vision Board Groups

REMINDERS

- ✓ Next Meeting: April 25, 2024 from 4:30–6:30PM
- ✓ Contact Parris Mosley (parris.mosley@UHhospitals.org) or Abi Rajasekaran (axr1030@case.edu) with any questions
