MUSICIAN VOLUNTEER INITIATIVE

An opportunity to give back to the community, one note at a time.

University Hospitals Connor Integrative Health Network is looking for local musicians to perform at various UH locations across our health system. Let us know if you play the piano, guitar, violin, etc. or just like to sing and would like to share your musical gift.

VOLUNTEER BENEFITS:

- Ease anxiety for patients and their family members while at the hospital
- Donate your time and talent to the community and receive official volunteer credit hours
- Perfect your performance skills in public

VOLUNTEER REQUIREMENTS:

- Must be 15 years or older
- Must have the talent to perform solo musical selections from an approved style (classical, jazz, folk, pop)
- Must have your own instrument with the exception of piano which will be on-site
- Must commit to at least one hour a week

All applicants must undergo a background check and a two-step TB test prior to beginning their volunteer service.
